TIGRINUM, DBLE. & SINGLE.....	15	1.50
MIXED VARIETIES, LARGE	20	2.00

ROCK GARDEN PLANTS

EARLY FALL IS A GOOD TIME TO PLANT ROCK
PLANTS FOR EARLY SPRING BLOOM. OUR STOCK
IS LARGE, INCLUDING MANY RARE PLANTS
THAT ARE VERY EFFECTIVE IN A ROCKERY.

Doz. 1.00

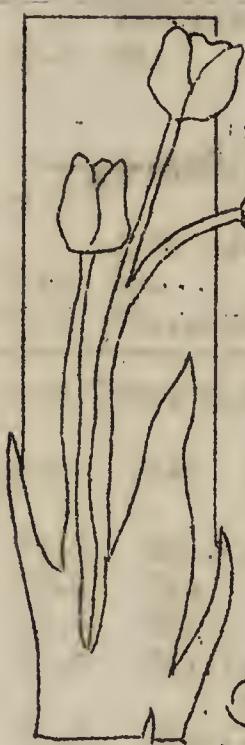

FALL IS THE BEST TIME FOR PLANTING
PERENNIALS, ESPECIALLY FROM AN ECONOMY
STAND POINT. PERENNIALS UNLESS PLANTED
IN VERY EARLY SPRING WILL NOT GIVE MUCH
BLOOM THE FIRST SEASON.

Doz. 1.00

PLANTING BULBS;

DON'T PLANT TOO EARLY, AS THEY
WILL COME UP TOO SOON IN THE SPRING AND
THE TOPS WILL FREEZE, AND OFTEN THE
BLOOMS WILL BE AFFECTED.

PLANT MOST BULBS THE DEPTH OF
THEIR CIRCUMFERENCE.
